Rolling Thunder®, Inc. National
National Alliance of POW/MIA Families

We the undersigned petition President George W. Bush and the United States (U.S.) Congress to direct the Department of Defense to recognize and designate as "Prisoner of War" (POW) not "Missing/Captured" (MIA-C) any member of the U.S. Armed Forces, paramilitary, militia, U.S. citizens employed by a U.S. agency or under U.S. Government contract who are captured and held against his/her will by any government, terrorist organization or insurgents, with which the U.S. is engaged in a declared war, conflict, police action or armed hostilities. To ensure that the classification of U.S. Military and Civilian Personnel is not inferior to that provided for under the Geneva Conventions, we ask that you direct the Department of Defense to eliminate the designation Missing-Captured and reinstate the designation "Prisoner of War."
